

# Breage CE Primary School News

ISSUE: SUMMER 5 2021

Dear parents, carers, governors and children,

Another week goes by and more local schools have had to close bubbles. Thank you for helping us to keep our bubbles intact and following guidance - your support is invaluable with regards to helping us safeguard the children's health.

We've had another busy week (although that could be said every week!) with Year 6 children attending Helston College as being a highlight.

Miss Gardner popped in yesterday to meet the children who will be in Yellow class next year. Chatting with her afterwards showed how enthusiastic and excited she is about moving to Breage. She cannot wait for September.

Please can I remind parents that the consultation period for the proposed new RSHE policy finishes next Friday 9th July. If you wish to comment on the policy or content of the RSHE curriculum please use the link in last week's emailed letter. As always, I am happy to answer any questions you may have.

Many thanks,

Mr Hadley

## COLLECTIVE WORSHIP

This half term we are focusing on **Respect** and our theme this week is '**Respecting difference**'.

*"From one man, God made every nation of the human race, that they should inhabit the whole earth"*  
(Acts 17:26).

## WHAT'S ON?

*New dates in bold italics*

### **Mondays:**

Blue class ukulele lessons & individual keyboard lessons.  
Yr 5/6 Lego STEM Club after school until 4.30pm.

### **July:**

Wednesday 14th: Sports Day - unfortunately no parents  
***Wednesday 14th: Transition meeting for children and parents of new Reception and Pre-school ages. 3.40pm***

Wednesday 21st: Last day of the year (children)

Thursday 22nd: INSET - school closed

Friday 23rd: INSET - school closed

## Time2Move - Holiday Activities and Food Programme Summer 2021

A message from Cornwall Council:

Earlier this year the Government announced an expansion to its [Holiday Activities and Food Programme](#) to cover the whole of England in 2021. Through this programme, local authorities have received funding to provide FREE holiday club provision, including healthy food and enriching activities, to children eligible for benefits-related Free School Meals over the Summer holidays in 2021.

Cornwall's holiday programme, Time2Move, is being delivered by Active Cornwall in partnership with Cornwall Council. The activities are open to all children and young people aged 5 to 16 and are FREE to children on benefits-related Free School Meals. All activities can be booked on the programme website at [www.activecornwall.org/T2MHolidayCamps](http://www.activecornwall.org/T2MHolidayCamps) - *children and young people eligible for Free School Meals will need their unique code in order to access their free place.*

**If your child is eligible for Free School Meals (not universal KS1 free meals) please contact the school as soon as possible before the holiday so we can provide you with your unique code.**

## Year 6 transition

Please keep an eye on the "latest news" tab on Helston College's website for regular transition updates.

<https://transition.helston.cornwall.sch.uk/>

**Year 6 had a great transition morning yesterday and I am sure they have been telling their parents all about it. The children were a credit to the school both on the bus and during the activities at HCC.**

## Sports Day

**A reminder that we will be holding sports day without parents this year to ensure we can comply with the guidelines still in place for schools.**

## JOKE OF THE WEEK

**Which object is king of the classroom?**

**The ruler!**

## Snacks

Please can we ask that your child brings a healthy snack and drink to school. There is a strong link between the food and drink we consume and our ability to think and concentrate. A healthy snack will help your child maintain energy levels throughout the day without too much sugar causing them to lose concentration in lessons. A bottle of water is best for keeping us (and our brains) hydrated which again helps focus on any task at hand.

Some suggestions include

- Whole or sliced fruit
- Vegetable sticks, e.g. celery, carrot, pepper, cucumber, baby corn.
- Small bag of plain popcorn
- Bread sticks
- Rice or corn cakes

**Please remember that we are a nut free school!**
